

PUBLIC HEARING NOTICE

HELP SHAPE VIRGINIA'S TRANSPORTATION PROGRAM FY2007-2012 Six-Year Improvement Program Working Draft Final Public Hearings

The Commonwealth Transportation Board (CTB) invites your comments about the essential rail, public transportation, commuter service, bicycle, pedestrian, and highway projects (except local/secondary/municipality-maintained roads*) in the FY2007-2012 Six-Year Improvement Program (SYIP) to be approved by the CTB in June. You can also comment about proposed allocations for the Federal Transportation Enhancements Program. (*Public hearings for local/secondary/municipality-maintained roads are held in other forums.)

All projects in the SYIP that are eligible for federal funding will be included in the Statewide Transportation Improvement Program (STIP), which documents how Virginia will obligate its share of federal funds.

You can review the Working Draft FY2007-2012 SYIP on VirginiaDOT.org and at VDOT district and residency offices after April 20, 2006.
